БАРХАТ

The image features a collection of fabric swatches and dried botanicals arranged on a textured, light brown background. In the center, there is a large, rectangular piece of fabric with a dark, mottled pattern. To its left, a smaller, lighter-colored fabric swatch is visible. In the top left corner, a bundle of dried, feathery botanicals is tied together. In the bottom right corner, a small, dried plant with green leaves and a brown seed head is placed. The overall aesthetic is natural and earthy.

ЯНТАРЬ

A top-down view of various amber and fossil specimens. A large, rectangular slab of fossilized wood with a complex, mottled pattern of brown, tan, and grey occupies the center-left. To its left is a small, light-colored, rectangular piece of amber. Above the slab is a small, dried plant specimen. To the right of the slab is a large, oval-shaped piece of amber with a warm, orange-brown hue and some internal inclusions. Below the slab is another rectangular piece of amber, this one a deeper yellow-orange color. In the bottom-left corner, there is a large, irregular piece of amber with a rich, golden-brown color and visible internal structures. The entire scene is set against a plain, light-colored background.
